Teamwork & Collaboration, Communication,
Organizational Skills, Time Management,
Adaptability, Multitasking.

EDUCATION

B.TECH

Sinhgad Institute of Technology, Lonavala

2022 - 2026

Bachelor of Technology in Computer Engineering

HSC

Nagpur Board

2020 - 2022

LANGUAGES

English

Hindi

Marathi

PROFILE

Motivated and adaptable final-year Computer Engineering student with a strong foundation in programming and problem-solving. Proficient in Python, C++, and SQL, with experience in applying Data Structures and Algorithms to address real-world challenges. Skilled in effective communication, teamwork, and debugging tools. Seeking opportunities to contribute to impactful projects in a dynamic environment while enhancing technical expertise and gaining valuable industry exposure.

WORK EXPERIENCE

Intern

InternPe   Dec 2024 - Jan 2025

- Applied Data Structures and Algorithms to solve real-world problems, strengthening programming proficiency in C++.
- Collaborated with team members to analyze technical challenges and develop innovative solutions, demonstrating strong teamwork and effective communication skills.
- Gained hands-on experience using debugging tools and software development methodologies.

Extra-Curricular Activities

Career Counselling Centre Club, SIT, Lonavala
- **Secretary in CCC Club, SIT, Lonavala**   Feb 2025 - Present
- **Joint Secretary** in CCC Club, SIT, Lonavala   Jan 2024 - Feb 2025
- Assisted in organizing career development workshops and events to support student career planning.

                                                Aug 2024 - Present
Association of Computer Engineering Student, SIT, Lonavala
- **Technical Co-Head** in ACES Club, SIT, Lonavala
- Led and organized technical events & competitions while fostering collaboration among members. Contributed actively to decision-making, team coordination, and initiatives aimed at enhancing the club's technical expertise.

Volunteer Work
- Actively participated as an Event Coordinator and Technical Assistant in various workshops and technical events, enhancing leadership and organizational skills.
- Organized 10+ workshops, benefiting 300+ students.

Hobbies & Interests

- **Gaming**: Passionate about strategy and logic-based games that challenge critical thinking and decision-making skills.
- **Puzzle Solving**: Enjoy solving logic puzzles such as Sudoku and crosswords, which enhance analytical and problem-solving abilities.

Certifications

- Getting Started with Enterprise Data Science by IBM (April 2024).
